Match Report Round Four 20 November 2009

Our fourth round match saw another home game this time hosting Hawthorn Red Hawks. At midday it appeared the heat policy might be enforced but this is Melbourne and during the afternoon a strong cool change swept through and the match commenced with light rain falling which persisted until the tea interval.

Hawks Innings

The Hawks won the toss and promptly elected to bat. The Bulls took the new cherry with Jackson Lord and Pat Dowling opening the attack. The Bulls applied early pressure both with the ball and in the field as the Hawks found runs hard to come by. Pat struck first taking 2 wickets including a sharp caught and bowled. Oliver Gale and James Colgan kept the pressure up Oliver (2overs, 1maiden 0/3) James impressive figures (2maidens, 1/0). The Hawks started to find runs as the ball became wet and heavy and came on slower to the batsman. But the pressure kept on the Hawks through Jamie Forth (2 wickets), with Tom Berryman and Nick Sjodin also capturing a wicket each.

Alec Binns, Max Stephens and Nick Sjodin each affecting a run-out. Pat took a second catch and Elliott McParland was busy with the gloves featuring in 2 dismissals this was all terrific work in the field given difficult conditions. Eventually the Hawks innings closing at 9 /132 off 21 overs .. well done Bulls.

Bulls Innings

After tea the rain stopped, Nick Gibbs and Alec Binns opened the Bulls innings. Nick and Alec both retired having preserved their wickets and seeing off the opening bowlers (this would prove important later). James and Elliott were next in and the score continued to tick over but the overs were also ticking over, this could be a close finish! Now the saving of early wickets against the opening bowlers started to pay-off as the Bulls pressed with their wickets in hand. Oliver Gale (32 not out) batted aggressively hitting a number of 4's and the club rooms. Max Stephens (25) continued to display consistent batting.

The Bulls pushed to overtake the Hawks score and the chase was getting interesting, by now some of the under16 Bulls (their match having ended in a nail biter) had dropped by to watch (and join in) the end. The Bulls were approaching the task with the right attitude knowing those wickets were in hand; they attacked and bridged the gap losing the wickets of Tom, Pat and Jackson Lord in the charge. Ethan Apostolakis surviving unbeaten in the end as the Bulls scored a memorable 10 run victory finishing 5/142 at the close.

The win is great but the great team effort is much better. Remember - concentration, talk in the field, watch the ball onto the bat and **Go BULLS!**

Round 3 - BUCCC v. Bulleen – Deepdene Bears –November 13th & 20th , 2009

Week 1

Round 3 saw the Green Bulls return home to Lynden Park Lower to play the Bears (Deepdene), who won the toss and elected to bat first.

Bulls started slowly in the field, perhaps due to the week of very hot, draining weather leaving the boys lacking in a little energy. Whilst Will Douglas opened the bowling with a very tight 5 over spell (5/0/0/12) Jeremy Symonds carried on from where he debuted so well the previous game, breaking through for the first wicket and following up immediately with a second wicket the next ball – what a wonderful effort Jezza !

Deepdene made a solid start with the bat with 3 good partnerships carrying their score to 4 for 100 at tea – had they continued at this rate, the Green Bulls would have been chasing perhaps 220 and potentially 250. To the boys credit, they took stock at tea and tightened up both bowling and fielding, and removed 6 Bears wickets after tea for 59 runs inside the minimum 42 overs and with time still available.

Better bowling performances came from Jordan Gasparini (3/0/1/14), a very consistent bowling, batting & fielding performer since his return to cricket after 4 seasons and debut with the Bulls this season. Ish also bowled beautifully for (5/1/2/11), Luke Allen again bowling tightly with 5/1/2/10, Ben Warner 4/1/2/22. On the fielding side, ‘catches win matches’ as they say and Will Douglas (2), Jordan (1), Luke Allen (2) and Michael Allen (1) all contributed.

Great second half boys restricting Deepdene to what we considered to be a manageable and achievable total.

Achieving 9 wickets (all out) just after 7.45pm meant the Bulls would have to face at least a couple of overs that night. Showing excellent leadership Ish Kariui and Ben Warner volunteered to ‘face the music’ and open the innings under quite testing circumstances. Ish faced most of the two overs against some good tight and fast bowling, finishing 5 not out over night.

Week 2

Will Constable returned from school camp last week and, as named, joined the Green Bulls this week. He came to the wicket at fall of first wicket, and nearly carried his bat all the way to the very tight finish, scoring a personal best 64 runs. Will clearly showed the way with an intelligent and controlled mixture of excellent singles and punishing boundaries (8 x 4's) – great work Will.

Unfortunately no one really formed a partnership with Will, thus making it harder for the Bulls to press home any scoring advantage. A number of brief cameo performances came from Ben Warner (18). Will Douglas (14 in only 4 balls) Michael Davy (11) and Jordan G (10), however 7 out of 10 wickets to fall fell to catches, 4 of which were really undisciplined and unnecessary.

Unfortunately with only 33 out of a possible 42 overs bowled, Deepdene managed to bowl out the Bulls for 157 – a disappointing loss in hindsight !!!

Scores :

Deepdene 10 for 159 after 38 overs.

Bulls 10 for 157 after only 33 overs

UNDER 16 GOLD BULLS**Round 3 Week 1**

Round 3 saw an undermanned Gold team travel to Wheelers Hill, and thankfully the opposition decided to bowl.

Mike Jenkin did as instructed, and waited at least 3 deliveries, before beginning an onslaught on the hapless Wheelers Hill attack. Jenkin dispatched balls to all parts, before being dismissed for a swashbuckling 47.

Jamie Gardiner continued his fine start to the season, with a controlled knock, pushing plenty of singles, but jumping on the bad balls. Partnerships were critical with batting numbers depleted, Christian Di Angelo (39) pushed the total on with Gardiner, before the opener reached an unbeaten 80 retired.

Kieran Michael and new keeper Chris Hermitte brought the ship home, with 22* and 29* apiece, as the boys finished 4/255 off 42 overs.

Round 3 Week 2

10 men were present on a wet week 2, and after early control problems, keeper turned opening bowler Mike Jenkin (1/21 off 6) reeled off 3 maidens in a row. Alex Barr (1/17 off 7) was economical as usual, missing the edge countless times.

Wheelers Hill were under pressure after 3 early wickets slowed the run rate, but a fine partnership put the bulls under the pump in slippery conditions. Tim Beanland (0/10 off 4) continued his tight bowling (yet to take a wicket this season), but Kieran Michael returned the biggest haul with 2/28 off 5.

In fading light and constant rain, Wheelers Hill ended up 6/168 off their 42 overs.

Solid start to the season with 3 wins, but with tougher opponents coming up, the boys will need to dig deep and continue batting in partnerships, and bowling one side of the wicket.

**DEVELOPMENT
TRAINING UPDATE**

Junior Bulls were privileged to have the former Victorian and Queensland dual premiership player Paul Jackson take a session of specialised coaching on the 18th of November. Selected players from the various U12, U14 and U16 sides were provided expert guidance by Paul and a happy band of Bulls Junior coaches.

The coaching session was followed by a talk from Paul addressing the key ingredients for success at junior levels. From all accounts the session was a success. The continuing challenge for the players and coaches will be to remember and use the specific advice to improve individual skill levels over the remainder of the season.
